This week.....covered “base line” information for all participants, learned how to develop a CMR action plan, previewed the operational guidance handbook.....

**This module will include a course critique
and most importantly.....our next steps**

Why this topic is important:

WHAT NEXT?!?!

***We must walk away with a firm plan and commitment
on our next steps***

RCRCM CMR Next Steps

- What do we commit to?
- What will you do? As champions of the CMR agenda:
 - Appoint a focal point?
 - Conduct training?
 - Develop the plan?
- Does IFRC send this “requirement” out to all NS?
- Do we determine the two or three NS that should build a plan first and IFRC commit resources to assist?
- Do we also assist the High Level Conference and see learn the Strategic Actions

Course Review / Critique

- Course Critique - Ken Hume / John Miller
 - Critique sheets
 - What do we change?
 - What do we keep?
 - What do we delete?
 - What do we add?
- What are next steps for this course?
