MILITARY DICTATORSHIPS IN LATIN AMERICA

Entre 1964 y 1984 casi todos los países de la Región estaban dirigidos por regímenes militares, salvo: México (por la presencia del PRI), Cuba (comunismo) y Costa Rica (única democracia que sobrevivió).

*The concept of civic-military relations, in the **POLITICAL** field and coined by military sociology to explain the dynamics of the relationship between the civilian sector and the military sector or world. Some authors point it out as **Military Political Relationship***

This process gave way to a new concept: **TRANSIT towards DEMOCRACIA.**

Process that is maintained in many countries of the region to this day

Global Scenario on Military Civil Relationship

24 / 26 July 1995

Quotes from A. W. Perry's U.S. Secretary of Defense.

*Today "is the time not only for reconciliation but for the recognition of a new relationship based on trust, collaboration and consensus" and ,
"to hemispheric cooperation time has come."*

- Reaffirmation of the commitment to consolidate democracy based on hemispheric security.
- **Reaffirm the critical role of the military in supporting democracy.**
- **Subjugation of the armed forces to civilians.**
- **Increased transparency in defence cooperation.**
- Setting goals for negotiated resolution of disputes on the basis of trust.
- **Promotion of greater cooperation in all orders, especially in support of the fight against drug trafficking, and participation in intentional peace tasks.**
